NOTES:

1. Warranty coverage commences from the date of installation.
2. Warranty coverage is by Months, Mileage , or Hours whichever occurs first.
3. Alleged Warranty units must be sent back to Dixie Electric.
4. Alleged Warranty units will be Refurbished and Returned to the Customer or at the discretion of Dixie Electric in some cases the unit will be replaced.
5. All Units must be registered online at <http://www.delstar-hd.com/registration>
***Un-registered units: Warranty will be a maximum of 6 months from the date of purchase.**
6. All units supplied with pre-cleaners need to be maintained when a regular service (Oil Change) is performed.
 - Remove the pre-cleaner, clean out any debris that is present.
 - Clean and inspect the air inlet tube.
 - As described in the installation instruction the pre cleaner needs to be changed after 12 months of service.
 - Failure to replace the pre-cleaner will void any warranty returns for burned-out, seized or noisy units deemed to be caused by dirt, or air flow restrictions.
 - A copy of the Pre-cleaner purchase invoice will be required for warranty consideration.

This will help to make your claim process easier
